If You Do Not Have Access to a Camera

If you do not have access to a phone, tablet, or computer with a camera, here are a few options to help you complete your video:

- Use a campus or local library computer lab. Many have webcams and basic video recording software
- Ask your school counselor if you can record your video during or after school hours
- Ask a friend or family member if you can use their phone or device to record your video
- Contact Mission&Belonging@msj.edu if none of these options work, and we will help you find an alternative way to submit your video
